## WORLD AGRICULTURAL OUTLOOK BOARD (WAOB)

Room 5143 S. Bldg, USDA Washington, DC 20250-3800

The World Agricultural Outlook Board coordinates USDA's agricultural outlook and situation analysis to ensure its objectivity and accuracy. The Board also coordinates USDA's weather, climate and remote sensing activities. With the U.S. Department of Commerce, it co-operates a Joint Agricultural Weather Facility to monitor weather and assess its impact on U.S. and world crops.

**NATIONAL AGRICULTURAL STATISTICS SERVICE  
(NASS)**  
**USDA South Bldg., Washington, DC 20250**

The National Agricultural Statistics Service collects data on crops, livestock, poultry, dairy, chemical use, prices, and labor, and publishes the official USDA State and national estimates through its Agricultural Statistics Board. There are nearly 400 reports annually covering domestic agriculture, such as estimates of production, stocks, inventories, prices, disposition, utilization, farm numbers and land, and other factors. The 45 field offices serve all States and collect and publish local information on these topics.

DECEMBER

See back cover for explanation of report release times and various dissemination procedures.

ERS Situation and Outlook (E) information will be released at 3 p.m. ET on the dates shown through USDA's News Division. USDA's AgNewsFAX and Computerized Information Delivery System (CIDS) will carry the material later. Printed copies of reports will be available in about 2 weeks, except as noted below.

<sup>1</sup> In addition to distribution noted above, this report will be available to paid subscribers at 3 p.m. on the Call-ERS/NASS Bulletin Board. Printed copies will be issued 3 business days after the calendar date.

<sup>2</sup> In addition to electronic distribution noted above, this report will be available at 3 p.m. ET through the following systems. (There will be no printed copies.)

- **ERS AutoFAX** Use the telephone attached to your FAX machine to call 1-202-219-1107. Follow the voice prompts and ask for document #2002 for the latest *Feed* edition and #2302 for *Oil Crops*. This service is free.

- **CALL-ERS/NASS** This bulletin board has two delivery systems. It supports 9600 baud communications (N, 8, 1) on 1-800-821-6229. For access to a 1200/2400 system, call 1-202-219-0377. *Feed* and *Oil Crops Updates* are free on this service.

- **Internet** For information about this service, call Jim Horsfield on 1-202-219-0012.

- **USDA's Computerized Information Delivery Service (CIDS)** Call 1-202-720-5505 for details.

<sup>3</sup> In addition to electronic distribution noted above, printed copies will be available 3 business days later.

For further information about accessing ERS reports electronically, call Fred Surls on 1-202-219-0313 or Jim Horsfield on 1-202-219-0012.

World Agricultural Outlook Board (W) reports will be released at 3 p.m. ET from room 5143-S, and available on USDA's CIDS.

National Agricultural Statistics Service (N) reports are issued from room 5829-S at 3:00 p.m., except Cranberries at 1:00 and Crop Progress after 4:00. All NASS releases are available on CIDS.

All ERS, NASS, and WAOB releases available by subscription. For information, call toll free (U.S. and Canada), 1-800-999-6779 (8:30-5:00 ET weekdays). Other areas, call (703) 834-0125.
